

After September 11, the FBI developed information clearly indicating that Bassnan is an extremist and a Bin Ladin supporter. [_____]

_____].

[_____

_____].

In early December 2002, the FBI orally advised the Joint Inquiry that it would be amending its written response to reflect the comments [_____
_____]. According to the FBI, the amended response will note that there is some evidence that Bassnan had contact with the hijackers, but the FBI does not believe this evidence to be credible and has not been able to corroborate this reporting through subsequent investigation.
